

WACEM2019DUBAI  
**DAY ONE**  
 OCTOBER 22, 2019 (TUESDAY)

<b>07:30 - 08:30</b>	<b>Registration</b>		
<b>08:30 - 09:20</b>	Keynotes		
08:30 - 08:50	<b>Teresa Smith</b>		
08:50 - 09:00	<b>Ayesha Al Memari</b>		
09:00 - 09:20	<b>Opening Ceremony</b>		
09:20 - 09:50	 <b>Coffee Break</b>		
<b>09:50 - 11:05</b>	Updates in Critical care and resuscitation I	ED Administration and patient flow I	Toxicology Emergency I
09:50 - 10:05	Airway management in trauma patient <b>Rebecca Jeanmonod</b>	Triaging the "Triage" <b>Aruna Munasinghe</b>	Cardiotoxic Plants and Herbs <b>Ashish Bhalla</b>
10:05 - 10:20	Advances in Interventions for Acute Massive and Submassive Pulmonary Embolism: What is Old is New Again <b>Michael Firstenberg</b>	Is Length of Stay at Emergency Services predictor of Outcome of Admitted Patients? <b>Ram Prasad Neupane</b>	VICC in snake bites: tests available and role of transfusion <b>Siju Abraham</b>
10:20 - 10:35	Cardiac injuries. What everyone should know to give them a chance for survival? <b>Juan Asensio</b>	Beyond Lean in ED <b>Samiddhi Samarakoon</b>	Cardiac Channels and Toxic Potential <b>Sage Wiener</b>
10:35 - 10:50	Safe Conscious Sedation in ED <b>Joydeep Grover</b>	Uzbekistan experience in patient flow management <b>Khikmat Anvarov</b>	Toxicity of Anti-hypertensive Drugs <b>Praveen Aggarwal</b>
10:50 - 11:05	Q & A	Q & A	Q & A
11:05 - 11:30	 <b>Coffee Break</b>		
<b>11:30 - 12:45</b>	Shock and sepsis managements I	Ethics and Standards for organ donation role ED	Challenges in ED nursing
11:30 - 11:45	Sepsis screening at triage <b>Himanshu Kataria</b>	Brain death determination <b>Harry Anderson</b>	Assessment & Management of Patient with Sepsis <b>Remigio JR Almazan Candido</b>
11:45 - 12:00	Early Recognition of Sepsis Patients in the Emergency Department. <b>Manish Garg</b>	Plugged in only to be Plugged Out <b>Vimal Rohan</b>	The challenges of assessing alcohol intoxicated patients for a head injury in the emergency department <b>Ciara Hoban</b>
12:00 - 12:15	Improving Survival for Sepsis Patients <b>Dianne McCallister</b>	The Ethical Aspects of Intravenous Drug Use and Recurrent Endocarditis <b>Michael Firstenberg</b>	Triage and M & M <b>Firoze Sogiawalla</b>
12:15 - 12:30	Septic shock -Surviving sepsis guidelines 2017 The Surviving Sepsis Campaign Bundle: 2018 update Intensive Care Med <b>Rajeshwari Vhora</b>	Leave a Legacy of Life -ED and Organ donation <b>Firoze Sogiawalla</b>	Trauma's Lethal Triad: Nurse's role in recognition, prevention and Management <b>Gabby Arafles</b>
12:30 - 12:45	Q & A	Q & A	Q & A
12:45 - 13:45	 <b>Lunch Break</b>		

**DAY ONE**

OCTOBER 22, 2019 (TUESDAY)

13:45 - 15:00	ED Administration and patient flow II	Artificial intelligence & future of Emergency Medicine	Prehospital care
13:45 - 14:00	Medical reconciliation in the Emergency department <b>Akram Hussain</b>	"Point of Care App's In ED: Drinking from A Firehose" <b>Manu Ayyan</b>	Telecommunication facility in Ground Transportation – A Novel, Simple and Effective Method <b>Ajith Venugopalan</b>
14:00 - 14:15	Quality indicators in ER -is it the pathway to quality care <b>Mohammed Haneef</b>	AI: Unburdening the Decision Fatigue <b>Vimal Rohan</b>	Chain of emergency care between prehospital and in hospitals. <b>Saad AlQahtani</b>
14:15 - 14:30	ED Administration and patient flow- Personal experience <b>Rajeshwari Vhora</b>	Demystifying Artificial Intelligence in Emergency Department. <b>Ashok Kumar Sankaranarayanan</b>	Pre-hospital Triage: A comparison between different protocols and utilities <b>Pia Daniel</b>
14:30 - 14:45	ED Administration and patient flow <b>Bonnie Arquilla</b>	Artificial Intelligence in ED: a threat or an opportunity for Emergency Physicians <b>Himanshu Kataria</b>	Prehospital Health Services from the perspective of the administrator and coordination with emergency <b>Kenan Ahmet Türkdoğan</b>
14:45 - 15:00	Q & A	Q & A	Q & A
15:00 - 15:15	 <b>Coffee Break</b>		
	Trauma – Japan Experience	WACEM Meets Africa	ED ultrasound
15:15 - 17:00	<p>Trauma critical care in Japan including recent knowledge~ Modulator: <b>Tetsuro Nishimura Taro Irisawa</b></p> <p>Our trauma evaluation and care in TACCC of Osaka University Hospital in Japan <b>Takeyuki Kiguchi</b></p> <p>The best timing of CT scanning among adult trauma patients <b>Tomoya Hirose</b></p> <p>ER diagnosis in the future: Challenge to development ER image diagnosis support system using artificial intelligence <b>Masahiro Miyashita</b></p> <p>Short-term outcome of surgical or non-surgical treatment for spinal cord injury with no bony injury</p>	<p>"A preventable death study in Ashanti region of Ghana: using a structured implicit review process <b>Hussein Yakubu</b></p> <p>"Mass Casualty incident management at the Addis Ababa Burn Emergency and Trauma Center. <b>Gellila Mengistu Meheret</b></p> <p>"A description of the utilization of business tool in understanding and improving ED patient flow" <b>Maysel Forson</b></p> <p>"A synchronous and asynchronous distance training for course for clinical research" <b>Rockefeller Oteng</b></p> <p>"Establishing a functional research office and infrastructure in Ghana: challenges and lessons learned " <b>Jonathan Boakye</b></p>	<p>The lame and the blind concept in ultrasound guided vascular access. <b>Aruna Munasinghe</b></p> <p>Advanced cardiac ultrasound in pulmonary embolism <b>Donald Jeanmonod</b></p> <p>Visual Decision-making in genitourinary emergencies <b>Naman Agrawal</b></p> <p>POCUS: femoral vein size and Expansibility test to detect intravascular status in a patient. <b>Vivek Chauhan</b></p> <p>Q &amp; A</p>

## DAY TWO

OCTOBER 23, 2019 (WEDNESDAY)

07:30 - 08:30	Registration			CPC Full Day
08:30 - 09:20	Keynotes			
08:30 - 08:50	<b>Bonnie Arquilla</b>			Ashish Bhalla Praveen Aggarwal Bobak Zonnoor Siju Abraham Vimal Krishnan Manu Ayyan
08:50 - 09:00	<b>Sanjeev Bhoi</b>			
09:00 - 09:20	<b>Shahraiar Zehtabchi</b>			
09:20 - 09:50	 Coffee Break			
09:50 - 11:05	Cardiac and vascular emergency I	Trauma and Sport Medicine I	Simulation in emergency medicine Moderator: <b>Omar Nouri RHTC</b>	
09:50 - 10:05	Demystifying RV Failure or Never forget what's Right! <b>Vimal Krishnan</b>	ED Thoracotomy in 2019. <b>Harry Anderson</b>	ED Simulation <b>Shruti Chandra</b>	
10:05 - 10:20	New insight in the early management of acute heart failure. <b>Salvatore Di Somma</b>	Trauma: 2018-2019 <b>Donald Jeanmonod</b>	ED simulation in emergency process and protocol <b>Pia Daniel</b>	
10:20 - 10:35	Common emergency ECG pitfalls <b>Naman Agrawal</b>	Trauma Tales – Tales telling a tale. <b>Samidhi Samarakoon</b>	Robotic Neuro Surgery - Is it the Future <b>Jagath Rathu Gamage</b>	
10:35 - 10:50	CAG/PCI for post arrest ventricular VF comatose patients. <b>Dave Gaieski</b>	Anterior cruciate ligament ACL injuries management update <b>Velayutham Swarnakumar</b>	How to develop an EM simulation Faculty <b>Amit Jaiswal</b>	
10:50 - 11:05	Q & A	Q & A	Q & A	
11:05 - 11:30	 Coffee Break			
11:30 - 12:40	Updates in Neuro-emergencies	Women in Leadership Moderator: <b>Ayesha Al Memari</b>	Updates in biomarkers and point of care procedures	
11:30 - 11:45	ED challenges in the management of stroke patients in their golden hours – an Indian perspective. <b>Mohammed Haneef</b>	Female leadership in Medicine & effective mentoring <b>Rebecca Jeanmonod</b>	All you need to know about troponins. <b>Vivek Chauhan</b>	
11:45 - 12:00	Updates on the management of non-convulsive seizures in the emergency department <b>Shahriar Zehtabchi</b>	Women in leadership – are men failing? <b>Anver Hamdani</b>	Catch me if you can <b>Vimal Rohan</b>	
12:00 - 12:15	Recent Updates in Adults & Pediatrics TBI <b>Sanjay Vhora</b>	Women in Leadership: creating a diverse EM department <b>Teresa Smith</b>	Bedside diagnostics and procedures in the intensive care unit <b>Harry Anderson</b>	
12:15 - 12:30	The study : Acute stroke care in emergency units: Improving door to needle times <b>Feroza Motara</b>	After # Me Too – Avoiding the pendulum swing <b>Dianne McCallister</b>	How POCT biomarkers can help in early diagnosis and management of septic shock <b>Salvatore Di Somma</b>	
12:30 - 12:45	Q & A	Q & A	Q & A	

## DAY TWO

OCTOBER 23, 2019 (WEDNESDAY)

12:45 - 13:45	 Lunch Break			
13:45 - 15:00	Disaster Medicine Moderator: <b>Eman Omar</b>	Mortality and Morbidity	Shock and sepsis managements II	CPC Full Day
13:45 - 14:00	Changes in combat casualty management as the result of the recent Iraq and Afghanistan conflicts. <b>Juan Asensio</b>	New packaging methods of body packers: Role of advanced imaging in their detection. A case study Rashid Hospital Experience <b>Shaikh Sayeed Iqbal</b>	The Role of Biosurgical Agents in the Management of Severe Bleeding <b>Michael Firstenberg</b>	Ashish Bhalla Praveen Aggarwal Bobak Zonnoor Siju Abraham Vimal Krishnan Manu Ayyan
14:00 - 14:15	Disaster preparedness-professional vs public. <b>Novil Wijesekera</b>	Morbidity and mortality – are they identical twins? <b>Samiddhi Samarakoon</b>	Evidence based choice of resuscitation fluid in shock <b>Naman Agrawal</b>	
14:15 - 14:30	Vulnerable population (Pediatric and neonatal) in disaster <b>Nitin Chawla</b>	Mortality & Morbidity in Peculiar sense... Mortality of patients & morbidity of family members... Emphasizing the need for socio-economic models of healthcare in Emergency Medicine” <b>Rachana Bhat</b>	Is there a potential role of personalized medicine in sepsis ? <b>Himanshu Kataria</b>	
14:30 - 14:45	Major Incident Planning <b>Joydeep Grover</b>	Systematic Approach to Index Management <b>Dianne McCallister</b>	Shock and sepsis managements in state emergency hospital in Uzbekistan: achievements and challenges. <b>Abdukhakim Khadjibaev</b>	
14:45 - 15:00	Q & A	Q & A	Q & A	
	<b>GREAT ITALY Symposium</b>		<b>Challenges and Updates In EM I</b>	
15:00 - 18:00	Medical Education & Research: How to improve publications in Emergency Medicine <b>Prabath Nannajakkara</b> <b>Lorenzo Paladino</b> <b>Salvatore Di Somma</b>		ED Simulation - Why and How? <b>Elizabeth Lee</b> Reaching the learners of tomorrow: How to advance great teaching in the 21st century! <b>Manish Garg</b> Hospital decontamination in CBRNE. What the hospital do not know <b>Mohd Alwi Hi Abdul Rahman</b> ED Administration and patient flow (Observation Medicine in EM, Are we good observers?) <b>Maria Aini</b> Q & A	

WACEM2019DUBAI  
**DAY THREE**  
 OCTOBER 24, 2019 (THURSDAY)

07:30 - 08:30	<b>Registration</b>		
08:30 - 09:20	Keynotes		
08:30 - 08:50	REBOA. A new and old technique. What's are the outcomes? <b>Juan Asensio</b>		
08:50 - 09:00	"Trauma systems, what are we missing" <b>Nisreen Maghraby</b>		
09:00 - 09:20	<b>TBA</b>		
09:20 - 09:50	 <b>Coffee Break</b>		
<b>09:50 - 11:05</b>	<b>Pediatric Emergency Medicine</b>	<b>Medical Education &amp; Research I</b>	<b>Updates in critical care and resuscitation II</b>
09:50 - 10:05	Approach to the pediatric airway. <b>Shruti Chandra</b>	How to do a PubMed search! <b>Siju Abraham</b>	Cardiovascular, Vascular Emergencies Transvenous Pacing in ED, Do we need to wait for cardiologist? <b>Nicole Tyczynska</b>
10:05 - 10:20	Child Abuse and Neglect <b>Nitin Chawla</b>	VICTAS trial--Vitamin C, Thiamine, and Hydrocortisone for severe sepsis/septic shock with respiratory or circulatory dysfunction. <b>Dave Gaieski</b>	Ketamine for the Management of Acute Pain and Agitation in the ICU: Future, Fiction or Just another Drug-Induced Hallucination? <b>Amr Mohamed EL-Said</b>
10:20 - 10:35	Agitated Pediatric Patient – A challenge in ER, Auto Immune Encephalitis – A diagnostic Dilemma in ER. <b>Ajith Venugopalan</b>	Building Department's research capabilities: how to create a culture of residents; education. <b>Teresa Smith</b>	Necrotizing Fasciitis <b>Siddharth P. Dubhashi</b>
10:35 - 10:50	Quad bikes & Pediatric Maxillofacial Trauma: A Public Health Menace for a Vulnerable Population <b>Joseph Muhammad</b>	Cultural Competence in Medical Education <b>Siddharth Dubhashi</b>	Traumatic Vs Spontaneous Subarachnoid Hemorrhage <b>Amit Agarwal</b>
10:50 - 11:05	Q & A	Q & A	Q & A
11:05 - 11:30	 <b>Coffee Break</b>		
<b>11:30 - 12:40</b>	<b>The young minds: Aspiring future</b>	<b>Toxicology Symposium II</b>	<b>Medical Education and Research II</b>
11:30 - 11:45	The Use of bedside ECHO to guide thrombolytic therapy in Pulmonary Embolism <b>Linda Yousif &amp; Hend Khalid</b>	Antidote against Newer Anticoagulant <b>Sari Soghoian</b>	Emergency medicine researches. <b>Saad AlQahtani</b>
11:45 - 12:00	Metformin Toxicity <b>Asma Kiani</b>	Newer Antidote <b>Ashish Bhalla</b>	Medical Education and research - Undergraduate Medical Education <b>Shruti Chandra</b>

WACEM2019DUBAI  
**DAY THREE**  
 OCTOBER 24, 2019 (THURSDAY)

12:00 - 12:15	Rare Case of Hypokalemic Periodic Paralysis <b>Aquib Sheikh</b>	Methylene Blue – Not Just for Methemoglobinemia <b>Sage Wiener</b>	“Mastermind Groups: Leveraging your professional development in EM “ <b>Manu Ayyan</b>
12:15 - 12:30	Burnout Among Physicians <b>Amani Mohammed El Khalifa</b>	Toxicologic Ischemia <b>Sari Soghoian</b>	How good are systematic reviews: A critical analysis? <b>Sunil Raina</b>
12:30 - 12:45	Q & A	Q & A	Q & A
12:45 - 13:45	 <b>Lunch Break</b>		
<b>13:45 - 16:30</b>	<b>Trauma and Sport Medicine II</b>	<b>Career path in Emergency Medicine</b>	<b>Challenges &amp; updates in ED II</b>
13:45 - 14:00	Burns Trauma Care Outcome Evaluation: Comprehensive Audit of Initial ED Interventions and Burns ICU Care from a Tertiary Burns <b>Nisanth Menon</b>	The role of academicians in the development of emergency Medicine <b>Başar Cander</b>	Pain free ED: Chronic pain management <b>Rashidi Ahmad</b>
14:00 - 14:15	Human Factors in Management of Major Trauma <b>Joydeep Grover</b>	Career path in Emergency Medicine career options for Emergency Medicine physicians <b>Bonnie Arquilla</b>	Post-Arrest Care... Interventions That Save Lives! <b>Ali Al-Shareef</b>
14:15 - 14:30	The dark side of trauma. <b>Aruna Munasinghe</b>	Advancing the Professional You: How to Master Conflict! <b>Manish Garg</b>	Physiology-guided CPR: The rationale for using DBP and ETCO2 as resuscitation goals instead of the cookbook of the AHA guidelines. <b>Dave Gaieski</b>
14:30 - 14:45	The U-SALAD approach to tackle a Difficult Airway <b>Vimal Krishnan</b>	Leadership in Disaster Medicine Why less is more in crisis. <b>Mohd Alwi Hi Abdul Rahman</b>	Management of emergency Medicine room crowd: physician and patient satisfaction <b>Afşin Emre kayıpmaz</b>
14:45 - 16:15	Q & A	Q & A	Q & A
16:15 - 16:30	<b>Closing Ceremony</b>
